March 2011

Brothers,

March is shaping up to be a busy month - another pancake breakfast, three fish fries, and the start of the scholarship process.

Libby Hein, the director of Childbirth and Parenting Assistance (CAPA), part of Catholic Charities, asked for an opportunity to talk about the great things they are doing in our community. Libby will be joining us March 1st to speak at 6:45 PM, before the general meeting.

Some of you may have heard about the new committee Fr. Vic is forming to generate a deeper interest in the Liturgy. He wants to focus efforts in a number of areas to achieve that goal. Fr. Vic invited leaders of several groups at St Mary's to be part of this new committee. One of the things we discussed during our first meeting was the need to increase awareness of each other. So many of us go to mass and are familiar with faces, but never learn each other's names. I thought we could help with a simple gesture - by wearing our name badges to mass. This would not only help others to learn our names, but would show how strong we are in the parish. This visibility can only increase interest in our organization.

God bless, and I hope to see you at the meeting on the 1st!

Jeff Garlock - GK

Kudos and Thank You

Pancake Breakfasts

A big thanks to those who helped make breakfast number six a success for the Boy Scouts. Turnout for the event was good enough to generate \$570 for the Scouts. Volunteers are always appreciated to make these meals a success. Please consider helping, if only for a few hours. At a minimum, bring your family by for a great breakfast!

Free Throw Contest

The free throw contest was held on January 19th, and was run by Michael Ward and Ron Connell. The final results are in, and the winners are listed below. Awards will be presented at the April General Meeting. I am excited to report that Anthony Bellagio did so well in the 13 year-old category at the district competition that he moved on to the regional competition on February 26th. Anthony ran into some tough competition at Regionals, but had a good time. The state competition will be held on March 26th in Yakima.

Did You Know?

- The 2010 survey of Fraternal Activity revealed that our council performed 5,740 hours of service last year. I'm sure it was higher than that - this is just what was reported !
- The 2010 goal for recycled eye glass collection was 500 pair. There were 575 that were actually collected and donated.
- Thanks to Joe Wetzler and his helpers, 300 Right-to-Life candles were sold this year. At the candle lighting ceremony, Joe, Dan Greany and Michal Ward set up 250 candles for this year's glow. It was an amazing sight!

Paper Recycling

Price per ton of recycled paper continues to increase! Last month's load produced a check for almost \$1,000. Let's keep that paper moving! Everyone's help is appreciated to empty the bins into the trailer. Recently, Dan Greany made a suggestion to add a message and logos to the side of the trailer. This will be discussed at the general meeting, but here is the artist's conception of what it might look like.

Items for Discussion at the General Meeting

- Fish Fry Planning - here they come! (Dave Kishel)
- Paper Trailer Signage (Dan Greany)
- Scholarship Process
- Habitat for Humanity
