Volume 2, Issue 10

October 2011

Brothers,

And now we begin the fraternal year again. Time to wind down from summer and wind-up for the fall activities. The Parish Picnic is our much anticipated kick-off activity. Dan T.'s great organizational skills were instrumental in putting on a great picnic. It has certainly set high expectations for our fall endeavors. A special thanks to all who were able to contribute time and effort assisting with the picnic. We served more than 225 people, the food was great, and we could not have hoped for better weather.

At the September General meeting the Annual Budget and Schedule of Activities for 2011 - 2012 were approved. The schedule is included for your reference. We have already had three events: Parish Picnic, Breakfast #1, and the Pro-Life booth at the county fair. We have had a busy September and the rest of the year will also be busy. Thanks also to those who were able to help at the Pro-Life booth and at the breakfast. It is great to be associated with such a great group of men who work enthusiastically. I appreciate everyone's enthusiasm and support.

Through our pursuits we offer a great deal of support to our Parish as individuals and as a council of the Knights of Columbus. Please keep up the good work. On an individual note, I encourage you to become more active and accept leadership as an ongoing opportunity of being a Knight and good Catholic Gentleman.

Shelley

**Updates**

**Spaghetti Dinner/Autumfest**

Proceeds from the spaghetti dinner of previous years have been mediocre at best. The officers have been discussing what might be done to improve the turn-out / contributions to a dinner scheduled in late October. The idea of a themed event, AutumnFest, with an activity, bingo, was the result. We are hoping to direct this event towards adults. There will be more information at the October General Meeting. We are looking for more ideas suggestions.

**Breakfast**

It is unclear how a change in scheduled times for Mass will effect how many Parishioners we will serve at future breakfasts. I believe we will need to be more diligent in promoting breakfast and other events. Are you interested in working with the program chairmen to better promote our events? Please, come talk with me and share your ideas.
